

Hand operated guillotine shear

00520115

Manual sheet shears - S 650

The model S 650 is bench mounted manually operated precision shear of sturdy design, ideal for clean cutting of not only ferrous and non-ferrous metals but also printed circuit boards and plastics etc.

The shear comes as standard with the illumination of cutting edge, adjustable angle stop, adjustable back gauge and fixed squaring arms with mm scales, and also a plastic-coated automatic sheet holds down.

Floor stand is optional !
